EXPERIENCE

Web Developer Intern | Octanet **July 2023 - Ongoing**

- Assisted in the development and implementation of front-end functionalities using HTML, CSS, and JavaScript.
- Designing and developing landing pages that effectively drive user engagement and conversions.

PROJECTS

➤ VIRTUAL VOICE ASSISTANT (Python)

[Github](https://github.com/preranababar9/desktop-virtual-voice-assistant) : <https://github.com/preranababar9/desktop-virtual-voice-assistant>

- Developed a cutting-edge virtual voice assistant using Python.
- Gained experience in using libraries for speech recognition, which allow the virtual assistant to understand and interpret user commands accurately.
- Used text-to-speech libraries to convert the assistant's responses into audio format.
- Supported tasks : Alarms, greetings, playing online and downloaded music, opening websites, information from wikipedia, time.

➤ PORTFOLIO WEBSITE (Html, css, Javascript)

[Live Demo](https://preranababar.netlify.app/) : <https://preranababar.netlify.app/>

[Github](https://github.com/preranababar9/personal-portfolio-website) : <https://github.com/preranababar9/personal-portfolio-website>

- Builded and deployed my portfolio website using three powerful trio Html, CSS and Javascript, with smooth and responsive navigation throughout the portfolio.
- Created detailed section about me, range of my projects with proper descriptions, skills and added seamless animation.
- Integrated social media profiles and contact form for visitors to connect with me on various platforms, expanding professional networks.

➤ AMAZON CLONE (Html, css)

[Live Demo](https://amazonclone-preranab.netlify.app/) : <https://amazonclone-preranab.netlify.app/>

[Github](https://github.com/preranababar9/amazon-clone) : <https://github.com/preranababar9/amazon-clone>

- Implemented a clone of amazon.com e-commerce website using Html and css, highlighting that it aims to replicate the core features and user experience of the original website.
- Designed header (navigation bar), main content section displaying various products in a grid or list format including their images, names and see more options and footer section with all the links.
